

Split City Pass – digital vouchers with exclusive discounts of your choice

Split City Pass is an innovative platform that allows tourists to **save smart** during their stay in Split. It's a digital voucher system that is purchased online, activated instantly, and used via mobile phone – **no printing and no screenshots required**. Vouchers are delivered directly to your **digital Wallet**, making them extremely convenient and secure to use.

All discounts are structured across **four packages**:

- **€5 voucher** – includes **2 discounts of your choice**
- **€8 voucher** – includes **8 discounts of your choice**
- **€15 voucher** – includes **up to 20 discounts**
- **€29.99 voucher** – includes **all available discounts**

What makes Split City Pass truly unique is its **flexibility** – each user chooses **which discounts they want to activate**. There are no pre-defined bundles – you choose what you need: discounts for restaurants, bars, shops, nightclubs, museums, excursions, boat parties, and many more attractions.

Note: Almost all discounts are provided by local partners within the city of Split, making Split City Pass the ideal **digital guide and companion** for exploring local experiences.

How does it work?

1. Visit www.splitdiscount.com
2. Choose your package (€5, €8, €15, €29.99)
3. Select your preferred discounts within the chosen package
4. Your voucher will automatically arrive in your **digital wallet**
5. At the location, simply **show your digital coupon** – no need to print or take screenshots

A unique concept for digital travelers

The platform is tailored to the **digital habits of modern travelers**, offering an easy purchase process and instant use without any complications.

For any questions or support, **Daniel** is available online almost all day and can help with activation, usage of discounts, or recommending places to visit.
